TERMS & CONDITIONS

Prices and terms are effective January 1, 2009 and continue in effect until replaced by new published prices. Prices, terms and product specifications subject to change without notice. All orders subject to acceptance at home office.

PRICING POLICY

American Tackle Company, Inc., has established a Manufacturer's Minimum Retail Price (MMRP) and Minimum Wholesale Price (MMWP) for all of our products. It is the policy of American Tackle Company, Inc., that products should not be discounted below MMRP or MMWP, placed on sale, discontinued, included in any promotion, be resold or transported to other retailers or wholesalers, either domestically or internationally without the express written authority of American Tackle Company, Inc.

American Tackle Company has determined that these policies are essential to the orderly, efficient and professional distribution of its products. While we recognize that dealers are legally free to sell their existing inventory at any price they desire, we are equally free to determine with whom we deal. We do business on a purchase order basis; our relationship with our dealers is not contractual. We reserve the option to refuse further orders from dealers who have failed to adhere to these Policies.

PAYMENT TERMS
